2. Reason for revision

The full-year forecast for the fiscal year ending March 31, 2026, reflecting the results of the first quarter, and the expected increase in sales due to the reflection of tariff costs from the second quarter onwards, the Company revises revenue. Operating profit, profit before income taxes, profit for the year and profit attributable to owners of the parent company remain unchanged.

The exchange rates assumed from the second quarter onward are 1USD = 145 yen and 1EUR = 160 yen, remain unchanged the announcement at the beginning of the year.

The above included future forecast based on information currently available. Actual results may differ materially from these forecasts due to changes in business operations, exchange rate fluctuations, and other internal and external factors.
