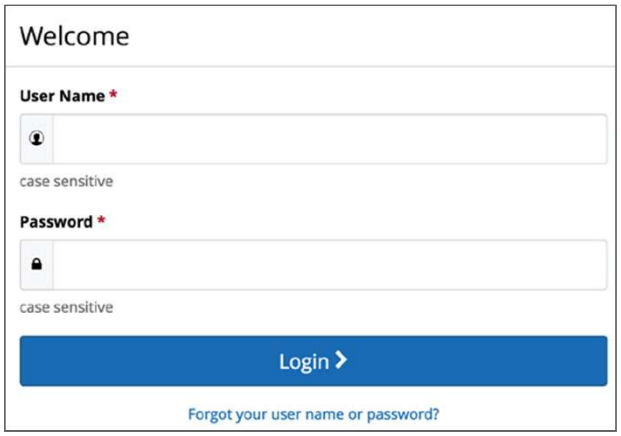
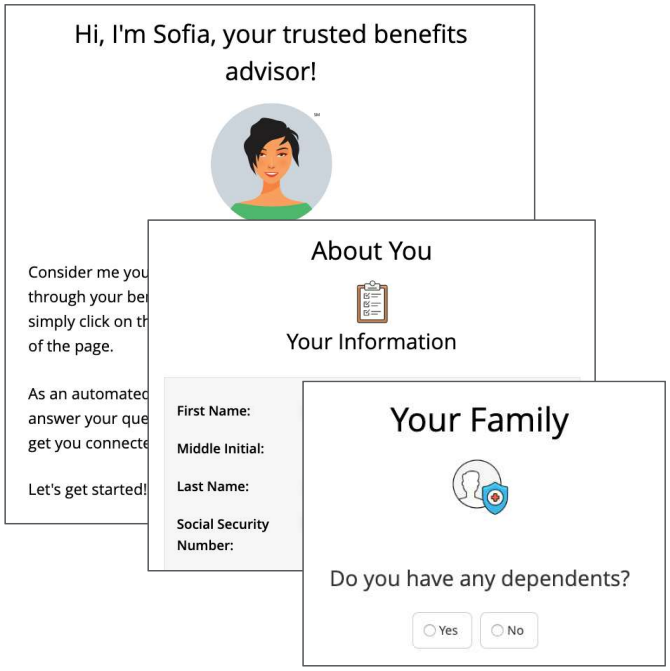
Enroll in your 2026 benefits

between October 21 – November 6, 2025

You must have an account in Benefitsolver at **myDENSObenefits.com** to make your benefit elections. If you do not have an account and need assistance, find the "Registering An Account With Benefitsolver" handout at DENSOBenefits.com or call the myDENSObenefits Service Center at 888-305-6975.





LOGIN

Visit our Benefitsolver site at **myDENSObenefits.com**. You must have a username and password.

First time users: **Register** a user name and password then answer a few security questions. The case-sensitive company key is **DENSO** and is already pre-populated in the box for you. Once you confirm your email address, log in using your new user name and password.

> **TIP:** Use your DSC-ID as your username, the same username you use for Oracle Fusion, so that it's easier to remember.

Click on the **Forgot your username or password?** link to reset your login details or call 888-305-6975 for help.

EXPLORE YOUR OPTIONS

Carefully read the **2026 Benefits Guide** and explore the Benefitsolver site to learn about your benefits. You'll find lots of helpful information in the **Reference Center**.

The calendar at the top of the **Home** page lets you know how many days you have left to enroll.

START YOUR ENROLLMENT

Click the **Start Here** button to review your personal information and add or edit any dependents you wish to cover.

You will need to provide each dependent's legal name, Social Security Number, and birth date to add them to your coverage.*

Sofia, your personal benefits assistant, can answer questions and guide you as you enroll.

*You may be required to provide documentation to prove your relationship to each dependent.

TWO WAYS TO ENROLL IN COVERAGE

- **Decision-making Tool**
  If you need some help deciding which benefits are right for you and your family, the **decision-making tool** is simple and easy to use. Answer a few simple questions to receive a personalized benefits plan recommendation. Your answers are never shared.

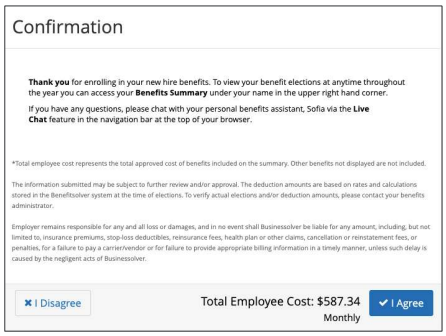
- **Explore on your own**
  If you already which benefits you want to elect, click **I Know What I Want** and use the **Next** and **Back** buttons to review and elect options available to you. Choose or decline coverage for each option, and select which family members you want to cover.

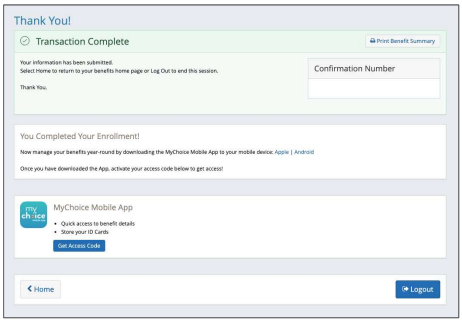
REVIEW AND FINALIZE YOUR ELECTIONS

Make sure your personal information, elections, dependents, and beneficiaries are accurate, then approve your elections.

"Approve" means you made the elections you want and covered dependents are selected, but you're not done!

To finish, click **"I Agree."** This means you agree to pay the biweekly premiums for your elections. When your enrollment is complete, you will receive a **confirmation number** and can print your Benefit Summary for your records.





AFTER YOU ENROLL

Return to the Home page to check for any additional tasks needed to complete your enrollment, view or download your Benefit Summary, and download the MyChoice® Mobile App for 24/7 access to your benefits, HSA or FSA account details, and upload your ID cards.

Visit this site anytime you want to learn more about your benefits or make a change to your coverage (if you experience a qualifying life event).

Tip: You can make changes to your elections at any time during Open Enrollment, even after you submit your elections. If you restart your election process, you will need to click "I Agree" and receive a confirmation number. Otherwise, your new elections will not be saved.

For help or to reset your password, call the myDENSObenefits Service Center at 888-303-6975.
