## New Hires
# Enroll in your 2026 benefits

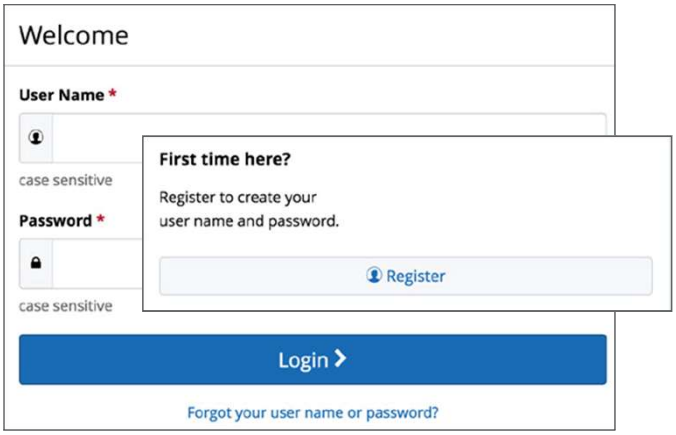
**_____ This is my hire date.**

**_____ This is my deadline to make benefit elections (30 days from my hire date)**

**_____ This is the date my benefits are effective (1st of the month after 30 days).**

Write your **Hire Date** in the space above. **You have 30 days after your hire date to make benefit elections**. If you do not make benefit elections by this deadline you will opt out of all electable benefits. The next opportunity to enroll is Open Enrollment in October.

You must create an account in Benefitsolver at **myDENSObenefits.com** to make your benefit elections.



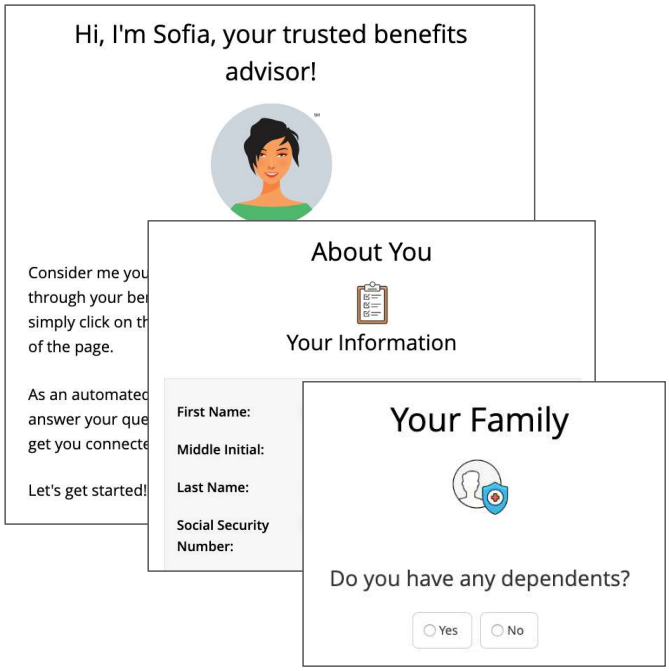
## LOGIN

Visit myDENSObenefits.com. You will need to create a username and password.

First time users: **Register** a user name and password then answer a few security questions. The case-sensitive company key is **DENSO** and is already pre-populated in the box for you. Once you confirm your email address, log in using your new user name and password.

**TIP:** Use your DSC-ID as your username, the same username you use for Oracle Fusion, so that it's easier to remember.

Click on the **Forgot your username or password?** link to reset your login details.



## EXPLORE YOUR OPTIONS

Carefully read the **2026 Benefits Guide** and explore the Benefitsolver site to learn about your benefits. You'll find lots of helpful information in the **Reference Center**.

The calendar at the top of the **Home** page lets you know how many days you have left to enroll.

## START YOUR ENROLLMENT

Click the **Start Here** button to review your personal information and add or edit any dependents you wish to cover.

You will need to provide each dependent's legal name, Social Security Number, and birth date to add them to your coverage.*

Sofia, your personal benefits assistant, can answer questions and guide you as you enroll.

*You may be required to provide documentation to prove your relationship to each dependent.

## TWO WAYS TO ENROLL IN COVERAGE

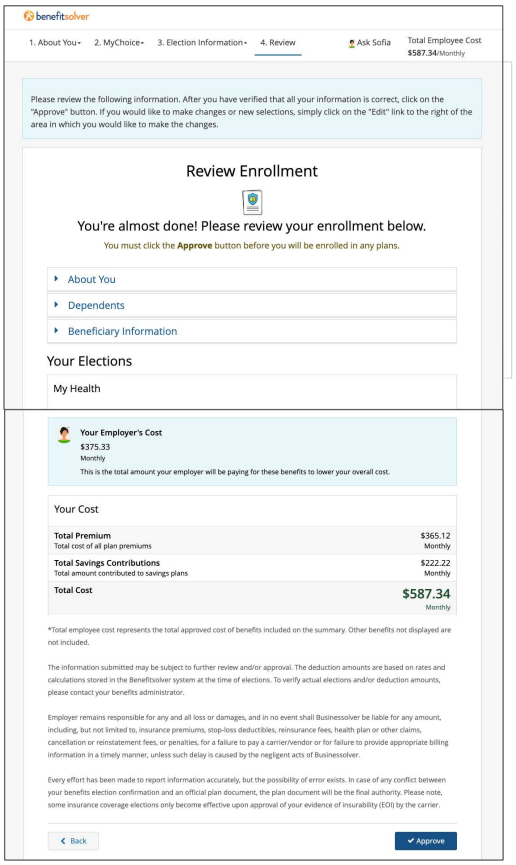
- **Decision-making Tool**
  If you need some help deciding which benefits are right for you and your family, there is a **decision-making tool** available. It is simple and easy to use. Answer a few simple questions to receive a personalized benefits plan recommendation. Your answers are never shared.

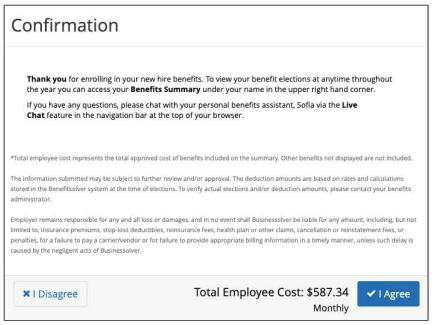
- **Explore on your own**
  If you already know exactly what you want, click **I Know What I Want** and use the Next and Back buttons to review and elect options available to you. Choose or decline coverage for each option and select which family members you want to cover.

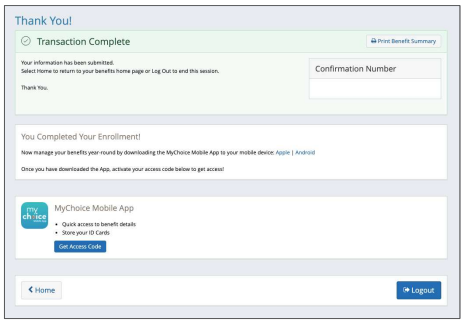
## REVIEW AND FINALIZE YOUR ELECTIONS

Make sure your personal information, elections, dependents, and beneficiaries are accurate, then approve your elections.

To finish, click **I Agree**. When your enrollment is complete, you will receive a confirmation number and can print your **Benefit Summary** for your records.







## AFTER YOU ENROLL

Return to the **Home** page to check for any additional tasks needed to complete your enrollment, view or download your **Benefit Summary**, and download the MyChoice® Mobile App for 24/7 access to your benefits and ID cards.

Visit this site anytime you want to learn more about your benefits or make a change to your coverage (if you experience a qualifying life event).

**Tip:** Remember your Benefitsolver username and password! If it helps, write down your username here and a hint to remember your password (like "name + birthdate of my dog"). Tear off the bottom of this page and keep it in a safe place. Don't share your username and password.
